Prince George College?

PRINCE GEORGE (CP)—The school board here will seek approval from education minister Leslie Peterson for establishment in Prince George of a junior college for northern British Columbia.

The board will draft a letter to the minister seeking his support for the college.

Pennies to 'Help Timmy Walk'

Putting pennies into a Sunday school "birthday cake box" at St. Barbara's Chapel, Work Point Barracks is Nancy Bonar, 5, who wants to "help Timmy walk again." Steadying the cake box are Susan Hutchinson, 3, and James Wilson, president of the B.C. Society for Crippled Children which sponsor the annual Easter Seal campaign with lower Vancouver Island Lions Club.—(Colonist photo.)

'Fair Lady' Takes Over The Pulpit

GLASGOW, Scotland (UPI) — Song titles from the musical "My Fair Lady," will provide ideas for some of his forthcoming sermons, The Rev. R. J. Henderson said Wednesday. He announced he would start with "Get Me To The Church on Time."

Mother, Family Cheat Death

A Parksville mother and her three children narrowly escaped death yesterday when a car in which they were riding went out of control and plunged down a 200-foot embankment on the upper levels highway near West Vancouver.

In fairly good condition in hospital at Vancouver were Mrs. Ethel McKeith, 40, and her son, David, 16. Seven-year-old twins, Hugh and Joy, were in good condition.

Mrs. McKeith suffered neck and arm injuries, David possible back injuries, and the twins shock.

Police and firemen rescued the mother and children from the base of the embankment.

FALSE TEETH
That Loosen
Need Not Embarrass
Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor breath". Get FASTEETH at drug counters everywhere.

give winter the brush-off !

Sea Took Father

Young Widow Bears Twins

TOFINO — A young widow who tramped the beaches for miles here in a search for her husband missing and presumed drowned has given birth to twins in Tofino General Hospital.

They were the first twins to be born in Tofino General Hospital.

The district has rallied to the aid of the mother, Mrs. Myrtle Jacobson of Ahousat. She is the widow of David Jacobson, one of four men aboard the troller, Centennial, when it vanished last Dec. 6 en route from Tofino to Ahousat.

Wreckage believed to be from the missing troller was later found but no trace of the men aboard.

The young widow, six months pregnant at the time, searched the beaches for days in hope of finding her husband or some clue to his fate.

When the twins, a boy weighing 7 pounds 3 ounces and a girl weighing 6 pounds 7 ounces, were born here the mother was practically without funds. Help was not long in forthcoming.

Mrs. Margaret Mosher of the hospital staff wrote to the Hudson's Bay Co. ordering blankets and diapers as a gift.

She also asked if the store in Vancouver had any shopworn baby clothes that could be contributed.

The company sent not only a parcel of clothing, but a cheque for $25 to help the young mother.
